## Citizenship Information

Guests claiming U.S. or Canadian citizenship on this itinerary may travel using one of the following travel documents: Passport; U.S. Passport Card; Trusted Traveler Card (NEXUS, SENTRI, or FAST). A U.S. citizen on this itinerary may also use a Government issued photo ID along with a state issued birth certificate. Hospital issued birth certificates are NOT acceptable. Alternatively, a U.S. Citizen may use a Government Issued Photo ID with an original Certificate of Naturalization issued by U.S. Citizenship and Immigration Services or an original Consular Report of Birth Abroad, issued by the Department of State. Children 15 and younger do not need to present a Government issued photo ID.

Guests who are Legal Permanent Residents of the U.S. must provide valid original Legal Permanent Resident Card.

Guests of all other nationalities will be required to present a valid passport. Many countries require a travel visa based on your nationality. It is each Guest's responsibility to identify and obtain all the necessary visas before commencing the cruise. If your country participates in the Visa Waiver Program a copy of the approved ESTA application should be brought with you when traveling. Because requirements may vary, Guests are advised to contact their travel agent, government agency, embassy or consulate for more information on required travel documentation for the port of embarkation and all ports of call during the cruise.

Guests without proper citizenship documentation will be denied boarding. Please visit the Planning Center online at [disneycruise.com/plan](http://disneycruise.com/plan) for additional details regarding travel documentation requirements.
